

September 2024

Dear Friends and Patrons of AHPS,

We are so pleased to announce our 2024/2025 Tiffany Concert Series – this is a wonderful list of concerts with favorite Pittsburgh musicians: Ragtime, Chamber Orchestra, Old Fashioned Hymn sing along, Pittsburgh Youth Symphony Orchestra, and Harps and Bassoon, plus parties and receptions!

This concert series has a two-fold mission – to bring community awareness to this significant historic building through the beauty of music and as a fund raiser for AHPS' present and planned projects. We have kept the subscription and single ticket prices reasonable to accommodate both missions.

We do hope that you will attend! Each of you are very important to our success!!!

Another wonderful update from **the Pew Restoration Chair, Nancy Richards:**

The great news about the Pew Restoration Project at Calvary UM Church is that the gorgeous velveteen fabric has finally arrived from Tuscany, Italy. All 300 yards of it! And it's beautiful! And the closest color to what Tiffany chose 130 years ago. Twenty pew cushions have been delivered to the Amish upholsterer. When finished twenty more will be delivered. That is the planned cycle until all are wonderfully finished and in the pews!! Perhaps the first twenty will be in place for the September 15 Tiffany concert!!

AHPS is very pleased to report that...

This project has been funded in part by a grant from the Cynthia Woods Mitchell Fund for Historic Interiors of the National Trust for Historic Preservation.
